## **LIGHTARIAN EMPOWERMENT RAY™ ACKNOWLEDGMENT FORM**

Student's Name (please print) \_\_\_\_\_

I acknowledge that I have been attuned and trained for the Lightarian Empowerment Ray on (Date)\_\_\_\_\_ by (Teacher)\_\_\_\_\_, a registered teacher, trained by someone in the lineage back to a teacher certified by L.I.G.H.T.

I understand that the Lightarian Empowerment Ray is a trademark of the Lightarian Institute for Global Human Transformation (L.I.G.H.T.) and that it has been trademarked in order to preserve the basics of the process, so that everyone who receives trainings and the attunement called the "Lightarian Empowerment Ray" will be receiving the work with consistency of principles, energies, information and methods. I align with this intention and will support the effective and impeccable transfer of this work by agreeing to abide by the following guidelines:

1. When I attune and teach others the Empowerment Ray (E-Ray):
  - a. I will use the same E-Ray attunement as taught by L.I.G.H.T.
  - b. I will use the E-Ray manual offered by L.I.G.H.T. as my training manual and provide one copy to each student. I understand that no duplication of the Manual is permitted and that additional copies of the Manual must be ordered from the L.I.G.H.T. or from licensed providers in certain foreign countries (refer to the L.I.G.H.T. website for a listing of authorized providers or contact the L.I.G.H.T. directly).
2. Following the training and attunement of a student:
  - a. I will promptly provide the student with an appropriate certificate/confirmation of the training and attunement just completed.
  - b. I will remind the student to fill out, sign and return his/her Acknowledgment Form to me for review and signing. I will then promptly send a copy of this Form to L.I.G.H.T. in order to properly register the student with the L.I.G.H.T. This registration will allow the student to purchase authorized Manuals from the L.I.G.H.T.
3. When I promote my offering of the Empowerment Ray in any way, I will use the ™ symbol next to the name "Lightarian Empowerment Ray" in all advertising and indicate that Lightarian Empowerment Ray is a trademark of the Lightarian Institute for Global Human Transformation.
4. I understand that I will be teaching and attuning others as a free and independent Teacher.
